INVITATION TO ECC LAUSANNE

Dear valued Industry Partner,

We believe that the 12th edition of the Endovascular Cardiac Complications (ECC) meeting held in Lausanne in 2017 was well perceived by the participants, both physicians and industry. Throughout the 3-day conference, almost 500 participants from 52 countries around the world shared the same passion of learning from our mistakes in order to further improve patient care. We are indeed extremely proud to have established this congress with a unique brand, attracting colleagues from around the globe.

The success of this project can not only be attributed to the help of the faculty members, many experts and the participants, but also to the essential support of the medical device industry and our pharmaceutical partners.

We are delighted to announce that ECC will organize the 13th Lausanne congress from **June 26 – 28, 2019** at the Centre de Congrès Lausanne. For the upcoming edition we intend to feature even more interaction and practical workshops.

The organizers would like to invite you to maintain your tradition as industrial partner of that event! At ECC Lausanne 2019 you will be able to approach local as well as international cardiologists, well known key-opinion leaders and our colleagues and friends from the Mayo Clinic in Rochester. We will offer you the opportunity to present new technology and provide training sessions.

This 13th edition will be the first to be held under the new MedTech rules. In the evolving field of new regulations and rules in the relation and partnership between the industry and healthcare providers, ECC Lausanne 2019 takes the challenge to grow further and continuously improve the meeting content.

For this reason, we wish to progress early with the entire program, inform you now at this early stage and look forward how we can cooperate on this project.

We are looking forward to seeing you at our next ECC in Lausanne!

Eric Eeckhout

Michael Haude

Amir Lerman

Olivier Muller

PRELIMINARY PROGRAM

WEDNESDAY, JUNE 26, 2019

13:00 – 13:35	WELCOMING
13:35 – 15:15	COMPLICATIONS CASE REVIEW SESSION 1
15:15 – 15:45	NETWORKING, BREAK & REFRESHMENTS
15:45 – 17:00	COMPLICATIONS CASE REVIEW SESSION 2
16:00 – 16:20	KEYNOTE LECTURE 1
17:00 – 18:00	SPONSORED: TECHNOLOGY UPDATES AND WORKSHOPS

THURSDAY, JUNE 27, 2019

08:20 – 09:00	SPECIAL GUEST LECTURE
09:00 – 10:30	COMPLICATIONS CASE REVIEW SESSION 3
10:30 – 11:00	NETWORKING, BREAK & REFRESHMENTS
11:00 – 12:15	GUEST LECTURES
11:00 – 12:15	PARALLEL COMPLICATION CASE FORUM 1
12:15 – 13:30	NETWORKING, BREAK, LUNCH & CONCURRENT SESSIONS
12:30 – 13:30	PARALLEL COMPLICATION CASE FORUM 2
12:30 – 13:30	SPONSORED: SATELLITE SYMPOSIUM
13:30 – 15:00	COMPLICATIONS CASE REVIEW SESSION 4
15:00 – 15:30	NETWORKING, BREAK & REFRESHMENTS
15:30 – 16:30	SMALL DEBATES FOR A SMART AUDIENCE
15:30 – 16:30	PARALLEL COMPLICATION CASE FORUM 3
16:30 – 18:00	COMPLICATIONS CASE REVIEW SESSION 5

FRIDAY, JUNE 28, 2019

08:30 – 09:00	GUEST LECTURE
08:30 – 09:00	PARALLEL COMPLICATION CASE FORUM 4
09:00 – 10:45	COMPLICATIONS CASE REVIEW SESSION 6
09:00 – 10:45	PARALLEL COMPLICATION CASE FORUM 5
10:45 – 11:15	NETWORKING, BREAK & REFRESHMENTS
11:15 – 12:00	GUEST LECTURES
12:00 – 13:00	NETWORKING, BREAK, LUNCH & CONCURRENT SESSIONS

14:45 – 15:30	COMPLICATIONS FROM THE BOARD
15:30 – 15:45	CLOSING CEREMONY AND AWARD FOR THE BEST COMPLICATION CASE

Course Directors

Eric Eeckhout, MD, Lausanne, Switzerland, Michael Haude, MD, Neuss, Germany, Amir Lerman, MD, Rochester, USA,
Olivier Muller, MD, Lausanne, Switzerland, Jack Tan, MD, Singapore

Scientific Coordinator

Dr. Catalina Trana, E-Mail: catalina.trana@chuv.ch, CHUV, Division of Cardiology, 1011 Lausanne, Switzerland

Congress Organizer

HSEC Swiss GmbH, Health Service and Education, Sihleggstrasse 23, 8832 Wollerau, Switzerland
Phone: +41 44 687 93 23 - Fax: +41 44 782 80 89 - E-Mail: office@ee-hsec.org

PROCEDURE

We are deeply interested in your ideas and individual sponsoring, so please take your time and go through all the sponsoring options.

As soon as you have chosen an option, mark it and complete the form on the last page, which can then be sent either via e-mail or fax to:

Ms Valentina Macura
Phone: +43 664 858 93 91
Fax: +43 1 8674944 - 9
E-Mail: valentina.macura@ee-hsec.org

Since our organisation team works closely together with the scientific secretariat of each congress, we always need to discuss and verify your inputs in the program with them. We would appreciate your written suggestions (topics for symposia etc.) as soon as possible, in order to be able to coordinate all the details and finalize the program.

Given that we aim to contribute to a more transparent way, a contract for the sponsoring is always required. It can either be drafted by you as a company or by us. Please let us know your preference. You will then receive your confirmation as well as the invoice, which is payable within 10 days, but no later than 4 weeks before the meeting starts. Please note that we cannot list you as a sponsor before receipt of payment.

If your sponsorship includes any material in the congress bag or on site, please note that it is the company's duty and responsibility to provide the organizer with this material in order to fulfil the service. More detailed information regarding the procedure will be sent in time. For any presentation, the speakers' name and contact details must be provided to HSEC Swiss GmbH by the sponsor at least 2 weeks after the registration for sponsorship. The deadline is May 15th, 2019. In addition, please send us your logo in high quality so that we can put it on the website and in the program.

Approximately 2 weeks prior to its start, you will receive all relevant information (booth plan, opening hours of the exhibition area,...) for your presence at the meeting. In return, please let us know the names of whom you would like to register for free as part of your sponsor package until the May 15th, 2019.

Should you have any questions, please do not hesitate to contact us!

Course Directors

SPONSORING CONDITIONS

SATELLITE SYMPOSIUM AND/OR WORKSHOP

A limited number of 2 symposia will be given on a first come first serve basis.

The content needs to be discussed with the congress secretariat and speaker selected by the company. Symposia and workshops include room, room setup, basic audiovisual and registration services.

Please note that anything additional could be composed of any marketing efforts as well as faculty expenses, such as honorarium and/or travel. These expenses are not covered in the sponsor packages.

The speakers' name and contact details have to be provided to HSEC Swiss by the sponsor 2 weeks after the registration for sponsorship.

The Symposia and/or workshop must be educational in nature. The material for the Symposia and/or has to be provided by the sponsor.

TECHNOLOGY UPDATE

A limited number of 1 slot will be given on a first come first serve basis.

This session is provided by experts from the industry to teach practicing physicians. The main objective is to learn how to prevent and manage potential complications with a particular device or technology.

Limited time: 10 min.

The content needs to be discussed with the scientific coordinator. The speaker of your choice has to be discussed with the course directors. Faculty expenses are not covered in the sponsor packages (eg. travel, hotel, additional fees, etc.).

The speakers' name and contact details have to be provided to HSEC Swiss by the sponsor 2 weeks after the registration for sponsorship.

The Tech Update must be educational in nature. The material for the session has to be provided by the sponsor.

COMPLIANCE STATEMENT

OF THE CONGRESS ORGANIZERS HSEC SWISS GMBH

Our world is constantly changing and we all expect transparency and fairness for whatever decisions are being made. This obviously also influences our field – medical education and the cooperation between physicians and industry partners. We as congress organizers are fully committed to contributing to a more transparent organization of our congresses and meetings.

With this statement, HSEC and all of its members declare to disclose all information and without equivocation work within the principles of transparency.

We will comply with the MedTech Europe Code of Business Practice and relevant local laws, regulations and industry codes. Our "Third Party Organised Education Events" will be submitted to the Conference Vetting System (CVS) for assessment in order to ensure its clear guidelines and rules. HSEC and its members will take necessary measures to comply and ensure approval of its congress and meetings.

The focus of our work will always remain in the education of physicians, and furthermore, in giving the patients the best treatment. Exchanging information, especially problems and their solutions is essential to medical progress and this is where we aim to play a major role. The main purpose of our events is to create a space for communication and hence, foster new ideas and improvement in medicine.
